Preparing & Assembling the Burrito

First, prepare the Tofu Scramble and the Hash Browned Potatoes, gathering the rest of your mise en place while these items are cooking. Alternatively, you can steam or roast some sliced potatoes instead.

*Note: For added flavor, use this [Basic Black Beans Recipe](#) for the beans.

To assemble the burrito, place some the tofu scramble onto a heated tortilla and add some of the black beans, potatoes and sliced tomatoes.

Add your favorite hot sauce, if desired, and some fresh cilantro.

Roll the burrito and serve immediately.
